

Commitment To The Highest Standards Of Integrity, Transparency, And Accountability

Dear Adaptation Fund manager,

On behalf of the Regional Environmental Centre for the Caucasus (REC Caucasus), I write to affirm our firm commitment to the highest standards of integrity, transparency, and accountability in all aspects of our operations. REC Caucasus maintains a strict policy of zero tolerance for fraud, financial mismanagement, corruption, and any other forms of malpractice, whether committed by staff, implementing partners, contractors, or any external entities associated directly or indirectly with our projects and programmes.

We ensure that robust internal controls, oversight mechanisms, and compliance procedures are in place to prevent, detect, and address any such misconduct. All allegations are taken seriously and are subject to prompt investigation and appropriate corrective actions in line with our institutional policies and applicable donor requirements.

Yours sincerely
